

Airfreight 4.0

WE SHAPE THE FUTURE
OF TRANSPORT

Your tasks are our challenges!

Your specialist for all time-critical
transport needs

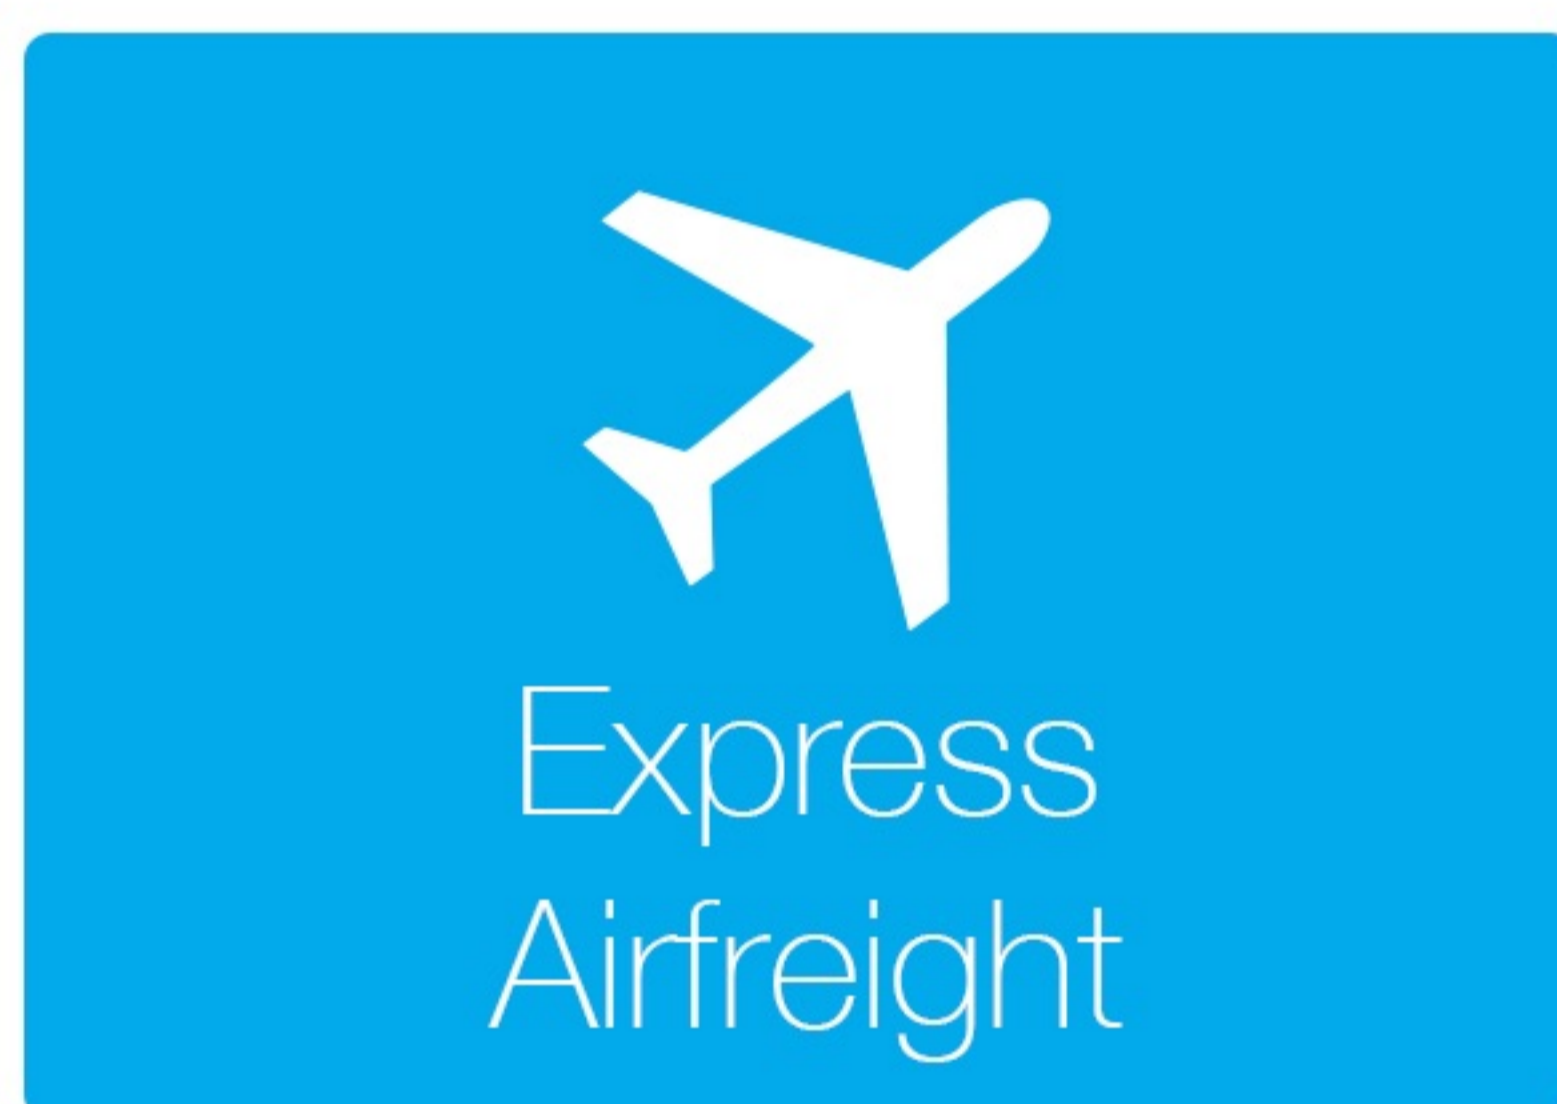

24/7 Booking & Service
either Munich or Frankfurt

Our customers appreciate that they are more than just a number. Our promise: Personal service & all shipments quick and safe in time!

As an airfreight specialist for time-critical transport tasks we are connected to a worldwide network of partners. We are available all day and night with our services at our two locations in Munich and Frankfurt.

Founded in 2007, the Airfreight Express Global Group team soon raised awareness all over the world. Our company values include trust, punctuality and quality.

Overview of our services:

from pallet to full charter

We are experts in sensitive items

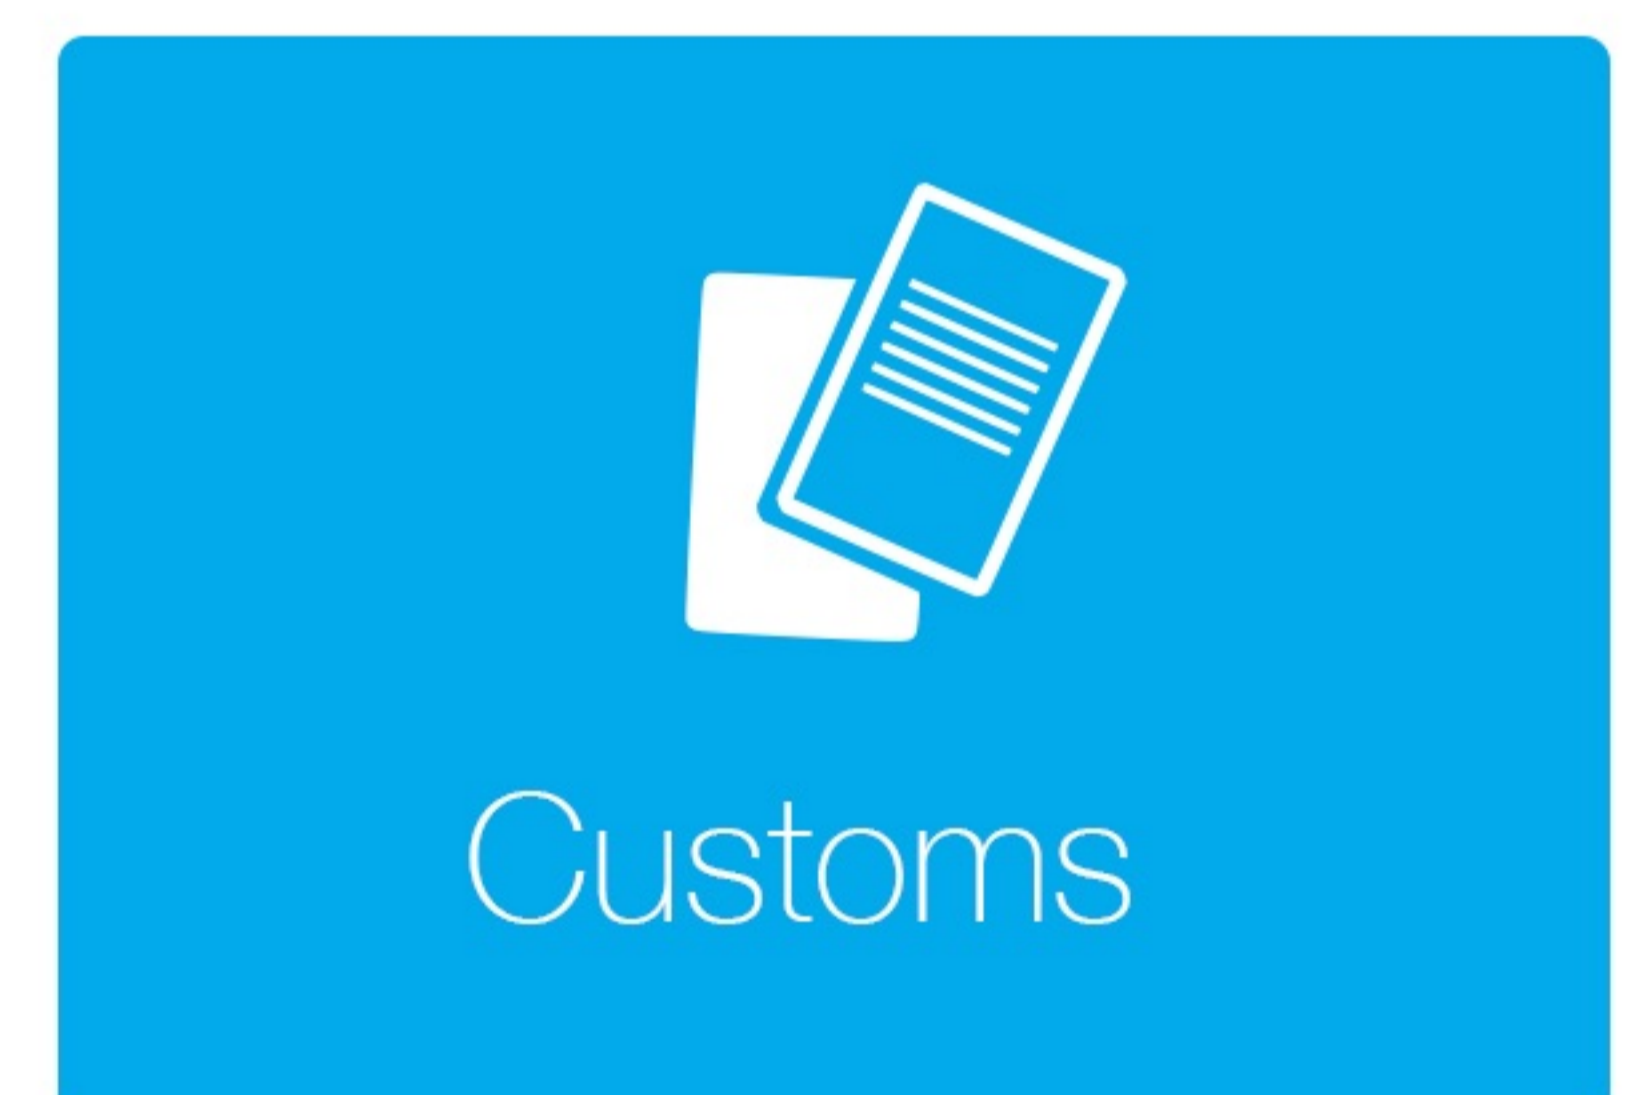

spare parts at any time

Special transports for biological samples

Personal escort to destination

from consulting to clearance

Our secret and concept of success is an extremely engaged team, profound expertise, a cost-efficient operation and a constantly guaranteed availability.

24 hours a day, 365 days a year.

We are looking forward to your inquiries – contact us!
